Contemporary classical piano music with a strong pop influence: jovial, meditative and minimal. Music that paints pictures in the mind of the listener. 11 MP3 Songs CLASSICAL: Contemporary, CLASSICAL: Piano solo Details: Jo Blankenburg's NEW Solo Piano Album featuring a piano version of the track "PLANET EARTH FOREVER" from THE SECRET video clip. Official release date is Tuesday, 6th May 2008. "This album is entirely devoted to minimalist solo piano music. Every musical idea is a snapshot of my life's journey - the constant stream of my emotions and experiences of the past and present. When playing the piano I attempt to capture a portion of this incessant current of divine energy and turn it into something special. Something that can not be expressed through words or consciously perceived through the senses. It is a subliminal sensation that touches me from within." Jo Blankenburg Jo Blankenburg is a composer and pianist from Germany now living in New Zealand. Although his compositions cover a wide spectrum of genres, his main emphasis is film music. The interaction between acoustic and visual elements is the inspiring source for Jo.
