A LIST of over 30 High Traffic Cities to start with to ensure that you are maximizing your exposure to the BILLIONS of visitors that Craigslist receives every single month...! "In case anyone's still undecided about purchasing a copy of Craigslist Marketer Pro here is my quick review. I found it to be a well-written, thoroughly detailed roadmap for your Craigslist marketing success regardless of what product or service you sell. Steve provides you with the exact strategy he uses daily to create 10 listings per day, for a total of 70 per week, every week with minimal chance of the Craigslist robots recognizing that each listing is virtually the same great ad! That technique alone is worth a great deal more than the price of the book. Here is why... Steves method allows you to dramatically increase your number of sticky Craigslist postings per day, which has a direct effect on the considerable amount of visitors to your website for ZERO dollars! And thats a hands-down winner for anyones posting efforts. One of the problems that many online marketers face is that they lack sufficient resources to take advantage of a pay-per-click campaign or other costly methods to drive traffic to their websites. I believe that Steve's "Craigslist Marketer Pro" has provided a simple and very effective way to generate free traffic to your website in addition to being able to earn a tidy sum from marketing your own products or services, as well as promoting affiliate products. If you'll make an initial investment of about 3 or 4 hours to set up your new Craigslist marketing business exactly as Steve outlines in his book and video, the future maximum amount of time necessary to devote to your business on a daily basis will be about 10 to 15 minutes. "Consistency is the key." I also appreciate that Steve has provided a tool that will assist you in keeping neatly organized, detailed records of your Craigslist posting activities. And in the event that you need assistance creating a professional image for your ad, Steve also offers very affordable services through his graphic design company. He has truly provided a step-by-step process for this business. Whats the

absolute best part of Craigslist Marketer Pro? ANYONE can set up and maintain this business for FREE!
Its a blank check to cash in on a great opportunity...Well done Steve!" Mary Ann L. Barlow
