

Royalty Free World Music Loops And Orchestra Samples

[DOWNLOAD HERE](#)

The Planet of the Orchestra is an exclusive, jam-packed with culture-merging world music loops and string loops from all around the globe. This genre defying master mix of state-of-the-art 24 bit recordings, the likes of which have never been heard before. Imagine if the best Orchestras, talented musicians and top artists from India, America, Africa, Japan, Australia, Europe and China all got together in one huge recording facility, and jammed together the result? Planet of the Orchestra. Let us take you on a musical journey as we discover unheard melodies and hidden treasures from the dusty sand dunes of the Saharan desert, to the highest mountaintops of Tibet, from deep within the closely guarded quarters of the mysterious hidden temples of the Orient, to the quaint riverside cafes of Eastern Europe. 6 months in the making, this highly original, cutting edge sample pack is the first of its kind. Each of the 100+ music loops are extremely complex, containing many layers of instrumentation. You can download this comprehensive sample pack in a variety of formats of your choice which have been specifically mixed, mastered and formatted to work perfectly with your chosen music production platform. As with all our sample packs Planet of the Orchestra is completely royalty free, and comes as standard with our 3 stage seal of quality Eclectic, worldclass, and evocative by nature, here you will find Bollywood Compositions, Spanish Guitars, Classical Strings, French Accordions, Infamous Oriental Flutes, Grand Pianos, Arab Strings, South American Wind Chimes, Full Orchestra Progressions and many, many more instruments which have all been meticulously blended together into this fascinating collection delivering crystal clear, and utterly unique musical building blocks for your productions, soundtracks and releases. You can find this release in a large number of other special formats on our website including: Ableton Live Pack (218mb) Acid Loops (134mb) Akai MPC (261mb) Apple Loops (134mb) FL Studio (134mb) Garageband (134mb) and many, many more! primeloops.com
