Sumptuous rhythms, gorgeous swelling melodies, songs that will take you deep within your ballet routine and far away to another world... Aly Tejas, or Aliucha to her friends and family, is much more than a gifted classical ballet pianist. Alys musicality is deeply rooted in her traditional Cuban music, music that is known for being not only rhythmically intricate but also melodically contagious. She has performed with well-known artists such as Latin Grammy nominated singer-songwriter Victor Romero and Cuban songstress Mirtha Medina, as well as with numerous other Latin and variety bands. As a classical piano accompanist, Aly has worked in several ballet and dance schools in her native Cuba and in the South Florida area. Although Alys first two recorded musical productions are for ballet class, expect to see other types of recordings in the future. Whether you are a classical, jazz, or timba fan, you are guaranteed to get lost in this talented pianists sweeping melodies and emotional performance.
