performing as a rapper at the age of thirteen. Over the years he has perfected his talent by performing at

numerous venues and showcases. The Riverdale, Georgia native says, "the purpose of creating and

entertaining should be to uplift the spirit." This is why you can find him performing throughout the

Metropolitan Atlanta area in several community events. Eion seeks to enhance his experience as an

entertainer by securing a record deal, performing in feature films and continuing to write, direct, and

produce his own work. He is the Vice President of Ice Palace Productions in Fayetteville, Georgia. Work
