This recording of the six Bach partitas is exemplary of the artistry of Sharon Mann, who has captivated audiences for over four decades with her performances and recordings of Bach's keyboard works. 40 MP3 Songs CLASSICAL: Bach, CLASSICAL: Keyboard Music Details: Review #1 "Mann's performance makes a brilliant case for playing Bach on the piano without betraying the authentic underpinning of the music.....an artistic assurance that sweeps up the listener in the process..." Joshua Kosman, San Francisco Chronicle. Review #2 "Mann creates a world of drama with each passage....An indomitable spirit governs her interpretations. This is Bach on fire....daring, impetuous, unconventional, burning with an intense sensitivity.....a delicious range of qualities." Barbara Zuck, Columbus Dispatch. Review #3 "...she begins with enthusiastic attention to Bach's style, then finds suitable 20th century piano expressions of Bach's Baroque keyboard texture. Mann offers lucidity and probing intelligence, individuality without eccentricity...the result is authentic, expressive, and great fun..." Charles Shere, Oakland Tribune. Review #4 "stiff competition for the other piano versions of the partitas...Mann holds her own with the powerhouses." Fanfare magazine. "...limned, acutely musical...tasteful and satisfying..." Ovation magazine People who are interested in should consider this download.
