CLASSICAL: Symphony Show all album songs: Symphony No.1, Piano Concerto No.3, Romeo Juliet Prokofiev, Musically Speaking Songs Details: Prokofiev's music is modern and very exciting, containing lush orchestrations and great rhythmic vitality. Three of his most popular compositions are included on this Musically Speaking CD. The first, Symphony No. 1, "Classical," is modeled on the Symphonies of Haydn and Mozart. The second work, the well known Concerto No. 3 for Piano and Orchestra, is brilliantly performed by the artist, accompanied by the Seattle Symphony in a rousing display of virtuoso piano pyrotechnics. The third work, written as music for ballet, is based upon the Shakespeare drama "Romeo and Juliet." It is extremely dramatic and compelling in its intensity.
