

Mp3 Alex Otterlei - Where Evil Lurks, Special Edition

[DOWNLOAD HERE](#)

A dark and hauntingly gothic musical tale that will make you keep the lights on for nights on end. This Special Edition comes with a disturbing story exclusively written by Rhianna Pratchett. 15 MP3 Songs CLASSICAL: Film Music, CLASSICAL: Orchestral Details: Multiple award-winning composer Alex Otterlei is currently very active in the world of computer-games, where he writes soundtracks for various upcoming games. Apart from that, he is also well-known for his music albums such as 'Arthur', 'Where Evil Lurks', 'Battlethemes' and 'Horror on the Orient Express', which have been sold worldwide as standalone soundtracks and music for RPG's. "Where Evil Lurks Special Edition" is presented to you as a 48-pages luxury hardback bound book, featuring an exclusive story written by Rhianna Pratchett printed in full colour. The CD containing the digitally remastered music of Alex Otterlei's original album "Where Evil Lurks" is included in the album. The book's size matches exactly that of a DVD, making it easy to fit on your shelf alongside your collection of favourite games and movies. Pressquotes on "Where Evil Lurks": "This is the perfect spooky bedtime tale!" (Darren Rea, Sci-Fi-Online, UK) "The perfect balance between story and music makes Where Evil Lurks a true masterpiece." (Thomas Knig, Drosi.de) "A first-class symbiosis of music and written word!" (Gordon Gurray, DnD-Gate) People who are interested in Danny Elfman James Horner Elliot Goldenthal should consider this download.
