

# Club Grooves: Urban Guitars (wav/apple Loops)

[DOWNLOAD HERE](#)

Brand new from their 'Club Grooves' series, Smash Up The Studio presents 'Club Grooves: Urban Guitars'. Includes warm and creamy chords, tough funky licks and gritty 'old skool' riffs. These are guitars with attitude! This pack contains 427 MB of loops and samples ranging in tempo from 80 to 125 BPM. There are 50 loops of between 4 - 8 bars, any of which could be used as the musical structure for an entire track. Also included are slides, hits and FX recorded as single samples. ABOUT THE RECORDINGS: We teamed up with session guitarist "Mook" Hands and his old Gibson Les Paul Custom (wine red) The amplifiers used on the sessions were a Fender 65 Twin Reverb and a Marshall MA50C. These were recorded using two SM57 microphones. Other equipment included a Cry Baby wah wah and MXR analog delay pedal. Some loops have also been treated with some post stereo effects at the mixing stage. ROYALTY-FREE: All the loops are royalty free and when purchased can be used within your musical compositions for commercial purposes. Produced by Steve Burton exclusively for Smash Up The Studio. FORMATS: - WAV 24 Bit - APPLE LOOPS
