

# Zeropay Moneyless Payment System Script

[DOWNLOAD HERE](#)

ZeroPay is the ideal software solution for those who wish to run their own Paypal, Stormpay, or e-gold type of online business. Zeropay comes with a ready out of the box website with all the features you need to run your own payment gateway system at a low price of only \$19.99. It doesnt take a genius to figure out this type of website is a sound business investment. If advertised right this type of website can make you \$100 - 1,000 a month! A peer to peer payment system like this one will build a good customer base quickly using simple viral marketing techniques allowing its users to pay for auctions, services and goods. You can charge from 2.5 - 7 per transaction! You get 100 of those profits as you will completely own the website. ZeroPay is completely secure and supports SSL. Our system is based on the power of PHP and MySQL with encryption techniques installed on the authorization modules of the site for complete security of the funds of the users. The extensive admin panel offers an absolute control over the whole website and provides the administrators with complete stats of the activity of the site. WHAT CAN ZEROPAY EXACTLY DO? Works just like the popular PayPal payment processing network but with added features. Payment support for products, donations, subscriptions, shopping cart and simple payments. Fully supports automated recurring billing for subscriptions 100 template based. Allows you to completely customize all colors and logos, for a completely brandable site. Easily ban/suspend users. Designed for growth, allowing you to place different parts of the program on different servers with near instant synchronization. Allows for more customer funding options than the competitors. You can even allow customers to fund their account With the competitors (PayPal, E-Gold, NetPay, 2Checkout, Qchex, Authorizeand more). Offer escrow services. ZEROPAY members can encrypt their Pay Now buttons. Members can perform mass payment. IPN (instant payment notification) support [More About IPN] ZEROPAY members can list their items in the ZEROPAY Store Front. And many more!
