

The Weight Of Silence - Heather Gudenkauf

It happens one August morning. As dawn's light drenches the humid Iowa air, two families awaken to find their little girls have gone missing. Seven-year-old Calli Clark is sweet, gentle, a dreamer who suffers from selective mutism brought on by tragedy as a toddler. Calli's mother, Antonia, tried to do the best she could within the confines of marriage to a mostly absent, often angry husband. Though she denies that her husband could be involved in the possible abductions, she fears her decision to stay has cost more than her daughter's voice. Petra Gregory is Calli's best friend and voice. But neither Petra nor Calli has been heard from since their disappearance was discovered. Desperate to find his child, Martin Gregory is forced to confront a side of himself he did not know existed beneath his intellectual demeanor. Now these families are tied by the question of what happened to their children. And the answer is trapped in the silence of family secrets.
