Many Years of Experiences as a Physiotherapist and human Psychologist made me understand the Lomi Lomi Nui Massage also from the heart. My time with a real Shamen who learned from Shamens of Hawaii completed this understanding. I worked hard on getting the essential Techniks together in a video, so it will become a real Training Video. I document each Technik and give a lot of Tips for the Massage Praxis. I also explain often made Mistakes while massaging, which can damage other Peoples Health. In this Sence I wish you much fun by Learning the Basics of the Lomi Lomi Nui Massage Aloha
