Warning: If You're Not Advertising Your Website Offline Now, You'll Hate Yourself When You Find Out How Easy It Is To Boost Your Profits! "Are You Ready To Boost Your Business (And Profits) To A New Level With The Proven Advertising Tactics You've Been Ignoring?" The Truth Revealed: You Don't Have To Be An Advertising Expert To Start Promoting Your Business In Print, TV Or Radio! If you haven't been advertising offline, you've been leaving money on the table! Click the button below to secure your personal copy of my tell-all report. Click now to get started or keep reading... June 28, 2007 Re: "Offline Marketing Strategies For Online Businesses" Dear Internet Friend, Can you really drive traffic to your website by the bucketful with offline advertising? Yes! If you've been running your online business without offline advertising support, you've been doing it all wrong! (And missing out on extra profits.) The best entrepreneurs have been advertising in proven "real-world" mediums for years with amazing success. Profiting like mad with... \* Print ads \* TV spots \* Radio spots \* Inserts \* Magazine and newspaper articles \* Classifieds \* Direct mail \* Direct response \* And FREE local advertising If you thought any of these proven advertising methods had lost their power, you're dead wrong! In fact... \* Print Advertising is alive and profitable as ever! Technology hasn't slowed down print publications at all. In fact there are more books published and more magazines printed (by a massive amount) than there were in 1980! \* Newspaper Ads and Classifieds aren't going anywhere! While the newspaper companies may be worried about becoming irrelevant, they are making up for it with timing, freshness and completeness. And are still the most functional news item to take into the john. \* TV and Radio Markets are hotter than ever! National TV and radio spots may be too expensive for you... but there are TONS of local spots waiting to get filled for incredibly cheap prices! Forget about banners, links and search engines for a second! Is your Website your storefront? The truth is, the best advertising men and women in the business have been using "offline" advertising techniques for over a decade to promote their websites. And making tons of cash doing it. Inside my report, you'll learn how to maximize the power of print ads, business cards, TV and Radio spots, magazines, classifieds, inserts, direct mail and more! Just click the link below to get started... Click here to start profiting with offline advertising! The Secret Of Maximizing Your Profits With

Offline Advertising! The truth is, advertising in print, tv, radio, or direct mail works just as well or better for websites! You may be trying to build up a network of links to your site... You may be using Google Adwords to find visitors... You may be tweaking your site for the search engines... You may be placing banner, link, or ezine ads... ...even if you're doing all those things, you're only seeing half the picture! When you get your hands on my report, you'll learn how the smartest business owners take advantage of "real-world" advertising to maximize their profits. If you have no clue how to start advertising with direct mail, direct response, inserts, magazines or more - you'll know exactly where to begin as soon as you stop reading. See How Easily You Can Have People Waiting In Line To Visit Your Website With "Real-World" Advertising! Even if you're a complete amateur with no business or advertising experience, you'll know exactly where to go to start putting your website in front of the masses. Just look what you'll learn inside... \* 9 proven ways to advertise that do NOT involve the Internet. \* 8 ways to evaluate if your website is ready for offline promotions. \* Why print publications (like newspapers) aren't going to disappear anytime soon. \* 3 things you must consider before placing an ad. \* The insider's secret to picking the most profitable type of magazine. (There are three varieties which are not all equal!) \* How to hunt down the people who can get your ad featured in your favorite magazine. \* 5 insider tips for planning your magazine ad. \* Why the best ad placers are sometimes skeptical of newspaper advertising. \* 3 tips for placing an ad in the classifieds. \* The secret to getting ads into newspapers and magazines for free. \* The number one rule you must follow if you're going to invest a dime in TV or Radio. \* The best (and most profitable) market for your radio spot. \* 4 ways to creating effective radio spots. \* How to launch your website's presence with direct mail advertising. \* An easy way to add direct response (and direct profits) to your business plan. \* How to determine if your response and conversion rate is high enough. \* 6 places in your town you can likely advertise for free.
