This software creates the pages you send your affiliates to to get their promotional tools. Tools like: Email broadcasts, Autoresponders, Articles, PPC ads, Banners, Signatures & PopUp Codes. All with AUTOMATIC Affiliate ID Insertion! With just a few clicks of the mouse, you can put together your own affiliate toolbox with promotion tools like this. The affiliate then only has to copy & paste those tools onto his site, or into his email broadcasts. How did you like this product? Post your review and rate this product.
