How To Create Your Own High Profile, Fast-Selling Product Launch Through The Power Of Joint Ventures (Important Note: If youve never joint ventured before successfully, or even dont know what a joint venture is, keep reading, because this is the most powerful, easy and free promotion method youll ever encounter From The Desk Of: Martin Boyle Date: 7th July 2010 Dear Online Marketer, What sets your marketing apart from the rest? Whats your specialty? Everybody has that one little thing that if anyone needs advice, or a job doing, they come to you for that favor they know you can do, and nobody else they know can touch the results you bring. It could be web design, it could be graphics, search engine marketing, it might not even be about marketing. Problems with cars, or computers maybe. Everybody has one of these. Mine is joint ventures. I can launch a website, pull in 20,000 unique visitors, or tens of thousands of subscribers, and a good, regular, \$10,000 per week in pure profit. Thats not all of course, often this figure is multiplied by ten. When I talk to people about this that say to me I wish I could do that but.. I have no money I have nothing to offer in return Theres too much competition Im Embarrassed I dont know where to find partners It does make me wonder. How difficult do they think it is? Not being one to keep my opinions to myself, I asked, and got my answer. To my surprise, they think its very hard. Almost impossible to do unless you have a big name they told me. A waste of time I was told. At that point, I had to write about successful join ventures. My favorite subject of all time, the most interesting, and arguably trouble free method of succeeding, and succeeding quickly! Irresistible. So I went ahead and spilled everything I have about how joint ventures dont entail getting made rich by others, but involves giving and receiving. What could prospects that could put thousands of dollars in a single hour want from other marketers? You might be surprised to find out that actually, its not out of reach of Marketers just starting out at all, despite all the rumors.. Testimonial 1 Dear Martin, I just had to write to say that Ive been using your product for just over a month now. Purchasing it was one of the best choices Ive made in a long while. My business has gone from stagnant, to booming in a few short weeks. There is no doubt in my mind that you saved me years of expensive experimentation. Thank you! DAVID COE Testimonial 2 Martin, your sales letter got me excited about

your product from the moment I set eyes on it. I couldn't help thinking though after so many disappointments with similar offers that this would just be another one of those. Boy was I wrong.

Astounding work! Put your prices up! Amy Richardson Testimonial 3 From \$200 a month, to \$1000 per week profit.
