

Tombstone Tea - Joanne Dahme

In order to be accepted by the "in crowd" at her new high school, Jamie accepts a dare to spend one night in a local cemetery collecting rubbings from ten gravestones. Once inside the gate of the dark and frightening burial ground, Jamie meets Paul, a handsome boy who works as a caretaker at the cemetery. Paul explains to Jamie about Tombstone Tea: a fund-raising performance in which actors impersonate the people buried in the cemetery. The actors are supposedly rehearsing on this particular evening, but Jamie quickly discovers that they aren't actors at all but the ghosts of men and women buried in the cemetery. When one woman decides to adopt Jamie to replace her lost daughter, our heroine fears she may never escape the cemetery. Full of rich history and filled with a cast of ghostly characters, the third eerily descriptive novel from Joanne Dahme is just as creepy as her first novel Creepers.
