It really does work and sometimes all it takes is a little reminder such as the one you have put together here. Just the pick me up I needed thanks! Tanya Gutierrez, Taos, NM Tuesday 9:12 am From: Tracy Yates Dear Friend, Most of my friends think I am crazy for selling Virtual Plastic so cheap on the Internet. Then I told them that I was also going to sell resale rights. When they heard the price they knew that I had lost my mind! The first thing they wanted to know was how big of a percentage I was going to be giving to my resellers. I said this is no affiliate program, we already have one of those. Anyone that buys one of the Limited Number of Resale Rights Licenses I am going to offer will get to keep 100 of the sales they make! If you have ever wanted to know how internet marketers make the boat loads of money they do on the internet this is it. You need to find a Great Product, that has not been already marketed to everyone on internet so heavily that every one that needs it, or wants it already has it, and everyone that doesn't need it is sick of hearing about it. Well I know that you can't say that about Virtual Plastic because it is brand new! You have not heard of it yet, am I correct? Of course you haven't because it was just released after being in development for the past 5 months, and hardly no one has the Resale Rights to this hot new product yet. If you have ever planned to make boat loads of money selling something through Internet Marketing, Then Virtual Plastic is exactly what you have been looking for. It really delivers in the department of generating a massive income! Anyone who owns a web site or can send an e-mail can make a ton of money with this information! But you already realized that or you would not be on this page, checking out the resale rights! Here's how it works, you will be able to sell Virtual Plastic to as many people as you want for any price above \$37 dollars. We recommend you sell it for between \$47 and \$77 dollars. You may also NOT give this product away for free or as a free bonus

with any other purchases. If that's not enough to get you to buy right away, I will also let you in on all the sources I personally use to help generate sales for all my products. We will email any new sources we find that will do nothing but bring tons of traffic and buyers to your site. There is nothing magical about making money on the internet it's just about knowing how to bring traffic to your site. We will show you how with all the sources we use now, and keep you updated as we find more. Our Virtual Plastic resale rights package would be insanely under priced if I charged \$397 for it. You would make it all back in a matter of a couple of days. But as you have seen above I have gone a little crazy on this one, which is why I am letting resale rights go for only \$127! All of my friends say this is way too low, but this way you will be able to make back your initial investment with only a few sales, and be on your way to making so much money that maybe you will keep me in mind when your ready to do a joint venture with someone. You just have to sell a few copies of Virtual Plastic and you'll be in the green. Here's what you get when you order the resale rights package... You can sell unlimited copies, and keep 100 of the profit. A certificate proving your right to re-sell Virtual Plastic.
