Endless Night Mlyn Hurn Third in the Blood Dreams series The balance between night and day has been disrupted, and possibly the eternal equilibrium of good and evil. Count Simon Ruthven is a suspect. Vampire hunter Blue Dampier's willowy body, auburn curls and blue eyes belie her natural huntress abilities. Blue, brother Jordan, and cousin Taryn continue the family business. Taryn uses her mystical powers of magic, psychic and the unseen. Jordan, physically challenged, commands the scientific aspects. Their search leads to the Club Hell Fire, notorious hangout for popular society and vampires looking for the hottest club. The mysterious Count Ruthven appears in New York City. His secrets have nothing to do with the unexplained global changes and everything to do with Blue, the woman. His true identity comes as a big surprise, but the truth doesn't change her feelings. She's loved him for as long as she can remember. His promises could merely be a ruse to distract her from his secrets. Unable to resist what Simon offers, she allows their passion to rage. Together, they hunt for an answer to the world's imbalance, but struggle to resolve the fundamental issue threatening to separate them-forever.
