

# License For Knowboform Website Submission And Promotion Tool

[DOWNLOAD HERE](#)

KnowboForm site submitter enables semi automatic free directory submission, free search engine submission, free press release submission, and free download submission. The tool help you submit your site free of cost with ease and flexibility and yet maintain the quality of submission. The product we are distributing is KnowboForm site submitter license file only. You can download the product FREE from the developer site of the KnowboForm Site Submitter (forums.knowbotron.com) or from many other FREE download sources (Google KnowboForm). The software is in fact available on hundreds of free download sites. However, the free license that comes with the available versions (v1.6.5 and v1.6.6.2) is already expired. Fortunately you can download the license separately from here. The License file on this site will work for both v1.6.5.0 (beta) and v1.6.6.2 and is valid up to 31 December 2012. Just download and install KnowboForm site submitter from any of the mentioned sources. Once installed, go to KnowboForm application folder (e.g. "C:\Program Files\KnowboForm v1.6.5 beta") and replace the license file "kbform.frmbrowser.lic" there with the one you downloaded from our site. Using KnowboForm semi automatic site submission tool submit your sites, software, press releases and articles to thousands of general directories, niche directories, search engines, download sites, article sites and press release distribution networks. Site submission was never been easier before. KnowboForm is automatic yet it maintains quality of submission. Choices of sites are enormous. There are already more than 6,000 sites in its integrated database. Most importantly those sites are being carefully reviewed and maintained to keep up-to-date. The KnowboForm team spends countless hours to save yours.
