

Tales Of Tanglewood: The Lon Dubh Whistle - Scott Kessman

[DOWNLOAD HERE](#)

Tales of Tanglewood: The Lon Dubh Whistle melds together influences of Celtic and Irish mythology with modern-day folklore, and is a fantasy novel to be enjoyed and cherished by all ages. Within the pages of this tome you'll find the adventures of Colin, a child who is fully aware of the hidden world of myth and wonder hiding within the woods just beyond his home, long kept secret by old magic. Only the fey magic which runs through Colin's veins has enabled him to find what others cannot; the Tanglewood, the 'wood within the woods'. Full of odd characters and fey beings, the Tanglewood is a world of magnificent folklore come to life. As Colin begins to explore the Tanglewood, he'll find friendship with the feyish Ailfrid, the elfin girl Deidre, and Doc Muffingrow, a wise druid. Colin will also find that there is much magic in himself, as well as dangerous enemies who'll not let him find solace in the 'wood so easily. Ailil, King of the Sprites and ruler of The Below, has laid claim to Colin's spirit, and Colin will need the help of his friends and quite a bit of magic to save himself. The Tanglewood is a place like no other, and Colin is a boy like no other. Throughout his adventures, he'll uncover the secret of the fey blood within him, and help dispel the poisonous corruption and hidden dangers that threaten the inhabitants of the 'wood and the Tanglewood itself.
