Ellora's Cavemen: Dreams of the Oasis II Treasure Hunters Sylvia Day Mercenary/treasure hunter Rick Bronson is ready to hunt down his next treasure-erotic e-books hidden away when erotic romance was banned by the Conservative Censorship Committee. His first order of business is securing the help of literary antiquities expert Samantha Tremain. She's considered one of the foremost authorities on erotic literature in the galaxy, a veritable bounty of carnal knowledge that Rick intends to enjoy to the fullest. Now two people who couldn't be more different race across the galaxy on a daring quest for untold riches. Together, success is within their grasp.if they can just get past the hands-on research. Allergic To Love Anna J. Evans Marcus Ashton is a werewolf searching for his one true mate. He's had his share of fantasies about the perfect woman, but none of them involved severe canine allergies or a colleague out to get him fired. Ella Bradley has had enough of controlling men and no amount of chemistry is going to change her mind, especially when she suspects the dangerously handsome Marcus of slipping libido-enhancing drugs into her cocoa. These two would-be lovers have less than twelve hours to clear up a major biological roadblock and a little human misunderstanding, or they may find themselves permanently allergic to love. Eclipse Denise A. Agnew New Orleans. Halloween. A blood red eclipse will cover this night. Dawn went to the Den of Wolves, certain she could save her wayward sister from immortality. She knew only one man could help her-Niall Machaire. The man her sister had loved and left ten years ago. Something isn't quite right about Niall, but she isn't certain what it is. What is he? Dawn feared the primal, unstoppable craving she experienced for the gorgeous man. When he saves her life, and she awakens naked in his bed, she discovers his help may cost an immortal price.
