Trina's Afternoon Delight Marilyn Lee As her fortieth birthday approaches, Trina Harris decides it's time to take her sexual destiny into her own hands. She books herself into the hedonistic resort As You Like It, where she can explore her desire for non-vanilla sex with a mystery lover. Blindfolded and eager, she submits to a hard-bodied stranger who skillfully satisfies all her physical desires while at the same time creating an emotional need in her. Tyler Maxwell goes to As You Like It for a week of no-holds-barred, no-commitment-required sex. After leaving the resort early, he soon realizes he wants to pursue a relationship with the full-figured woman he shared a highly charged afternoon with. In order to do that, Tyler will have to track her down and convince her that he's determined to have much more than an afternoon's delight.
