Winter's Rose Ruby Storm This book is part of the Winter Studs trilogy. Kody Winter has arrived in Texas-and not for a simple visit. He's back for good and the reason is the sexy woman he's never forgotten. Though Rose Leighton is blindsided when he suddenly appears after six years, she struggles to remain aloof at all costs. She's done with tears, and she's finished with Kody's special brand of heartache. But Rose never counted on her blistering physical reaction to his presence nor Kody's conviction that they are made for one another. Kody has the patience and determination to win back the girl he left behind. He won't hesitate to use the passion they share. Whatever it takes.
