Are you living the dream or dreaming to live? Make your wishes come true with "Urban Dreamz", the fresh new sample pack from premier Pop purveyors Prime Loops! This loop collection is a hit makers golden ticket to chart success, delivering masses of contemporary Urban Pop sounds for your production pleasure! Follow the vibes from the subway into the ears of the packed crowds and wake up your city with the next generation of urban jams! Inspired by modern Pop royalty such as Rihanna and Drake, "Urban Dreamz" consists of 6 full construction kits including everything from epic basslines and drum loops, to ethereal synth leads and percussion loops. Urban Pop treats take the form of the dramatic synths of 'Blowout', the emotive tones of 'Not The Same', the urban swagger of 'Dollar Dream' and much more! "Urban Dreamz" crams a sky-scraping 530MB+ into one neat package and is available via instant download in pristine 24-bit quality. Effortlessly make your dreams a reality by selecting any loop and beat-matching it to your desired tempo, without any loss in the original quality. All of this is available to you 100 royalty free, avoiding all sample clearance hassle! So if you're dreaming of chart success, take your head out of the clouds and embrace the crowds with this definitive modern Pop sample pack, guaranteed to make your deepest Urban Dreamz come true! This is the .wav format. You can find many specialistic formats over at [primeloops.com](http://primeloops.com)
