His complex rhythms drive the songs and his leads really strike like lightning. It just doesn't get much better than this. For a more complete description of the contents of this disc please see the descriptions of each of the 6 volumes. All of these rock guitar loops are meticulously 'acidized' acid loops. The tempos and keys are noted in the files and folders, so you can easily and quickly find the appropriate tempo, key and style to use in your song. Both rhythms and leads are noted in the files and folder names to make it easier to find which you are looking for.
