The WP Easy Salesletter Package comes with a Multiple Domain License, so you are free to use it on all your domains! WPSalesletter with personal use rights normally sells for \$18.97 by itself. (Click here to read more about it: WPSalesletter website). But with WPSalesletter PRO Edition, you get Resell Rights to WPSalesletter! A breath of fresh air! Hi Mark, I am very much surprised and very happy!! This really is an easy, high quality product and it quickly makes a good looking salesletter, or mini site inside of WP. The others I tried were all disappointing. Thank you very much for a far superior product. And a product that actually is easy to use and does what it says...which online today is a breath of fresh air!! Thank you again for taking the time over the last few days to answer my questions as well. I really appreciate it a lot! Finally, I have a resale rights site that actually offers high quality products, answers questions and works as advertised. I will be very happy to recommend your site to my clients in my new venture. Something I

stopped doing a few years ago as too many online today are looking for quick sales at any cost and dont provide value or help on the back end. Its nice to find someone today who runs their business with values I live by also, honesty, integrity, and good old fashioned service when needed! Thank you, thank you, thank you!

Bluedolphin Crow talenttotreasures.com Part 2: Over 150 Wordpress Themes WPSalesletter PRO Edition comes with a huge selection of over 150 professional Wordpress themes! You could easily pay over \$49 just for one of these professional WP themes ... but you get over 150! You can see just a few below:

Part 3: 25 Amazing Mini-Site Templates WPSalesletter PRO Edition comes with 25 amazing Mini-Site Templates! Each site is a fully integrated mini-site powered by Wordpress! These mini-sites make it easy to edit your salespages without being an HTML expert! You can add any number of pages that you want, and a fully functional blog as well. This isnt just for one page sites, but you can use the mini-sites for a complete marketing station where you can launch your next project from! There are 5 templates and each template comes in 5 different colors ... so you get 25 amazing mini-sites templates! You can view several below:
