The opportunity to literally hit me over the head, take my money and confiscate my latest, most prized possession. You see...today I've decided to once again give you a rare opportunity to unlock yet another shimmering nugget from my closely guarded "pot of gold"... Money-Makers Just Don't Get Any Better Than This! Here's the deal... I recently got a friend to write, design and create a valuable and unique product consisting of two inner-related modules called the "Squeeze Page Profit System".

MODULE 1 Squeeze Page Combo Pack In this "never before released" module you'll receive two professionally designed and optimized squeeze pages all setup and ready for you to just add your content. Best of all... what makes this combo squeeze page pack so amazing is the way the pages were designed and setup. You'll never have to worry about editing any graphics on these pages. These pages were professionally designed with the NOVICE (as well as the professional) in mind! Yes... you receive Module1 With Private Label Rights as part of this complete package. Best of all, not only do you have the private label rights to resell this package, but you'll also have the opportunity to use both squeeze pages included in this system for your own personal use. Take a look at the two squeeze page templates below... Keep in mind that the two links below are simply "Images" of the actual squeeze page templates you'll receive in your package (and not the actual page templates themselves). Template 1 Template 2 All you'll need to do is open either of the templates in your favorite web authoring program like FrontPage or Dreamweaver, edit the text, add your autoresponder form in the opt-in box provided... and that's it...Your

job is done! EVERY SINGLE PAGE ELEMENT - EVEN THE ATTRACTIVE HEADLINES AND LINKS - ARE ALL SIMPLE, EDITABLE TEXT! ABSOLUTELY NO GRAPHICS EDITING REQUIRED! You can instantly have NOT ONE... but TWO uniquely different "professional" squeeze pages working for you 24/7 pulling in subscribers (and we'll talk more about that in a moment). More importantly, they adaptable to any niche... any product... and membership site... the list goes on and on... These templates were designed as generic as possible yet ultra-attractive and powerful enough in appearance to get the job done right. No matter what niche you're in...these gems can instantly be unique to your niche - your business! And I didn't stop there.... I also wanted to ensure anyone who purchased the new squeeze page templates knew the tricks of the trade when setting up their squeeze pages for maximum subscriber rates and maximum profits. And that's where Module 2 came along... **MODULE 2 Squeeze Page Secrets Insider's Guide** In this condensed - NO Fluff - report you'll discover the Top 10 Stupid Mistakes most Internet Marketers make regarding their squeeze pages... ...And what you must do every time to guarantee your opt-in success! You will also receive Module 2 with Private Label Rights as part of this complete PLR package. You'll Also Receive Much More Than Just A Professionally Designed Graphics Package But let's start there... \* You're going to receive each cover in three distinct sizes (Sm, Med, Lg). Also included is a "grouped image". You can click here to view the cover graphics. \* You will also receive the PSD Photoshop Source Files for all graphic designs. \* You will also receive a completely setup, professionally written and designed sales page to sell the "Squeeze Page Profit System". You will notice on the sales page you're about to view that you will not only receive a "top-shelf" design most would kill for, but you'll also receive a few extra goodies like: o testimonial boxes, o a "Guarantee" box, o screenshots (and full-size linked images) of the actual squeeze pages included in Module 1. (Be sure to check out the squeeze pages for yourself. Remember, you'll also be able to use these professional squeeze page designs for your own personal use as well!) o and much more. You can click here to view this stunning sales page you'll receive and all the extras. \* You'll also receive an exact copy of this sales page you're viewing right now. You can use this sales page to sell the Private Label Rights to your customers as well. This is a professionally designed, professionally written sales page that's included in your PLR package. \* You'll also receive the raw Word.doc file for the "Squeeze Page Secrets" Insiders Guide. You can edit it any way you'd like, add your name as the author, add to the content to make it even more unique and informative.... the choice is yours. This is a 7 page condensed guide explaining the
