----- "Ready For The Next Edition In New OpenOffice Writer Templates To Help You Create PDF Ebooks With Incredible Style And Ease While Maximizing Plenty Of 'White Space' In Your Ebooks For Easier Reading?" "Your Search Has Finally Come To An End. Relax. You Just Found What You Were Looking For!" From the desk of {najib} Date: {05.07.2008} Hello Friend, Isn't it amazing that such a wonderful piece of free software such as OpenOffice Writer lacks in an extremely important area. . . . You know, like, um, offering at least ONE ebook template?!? I'll tell ya, I was in the same boat you probably find yourself in right now. Searching high and low just to find one reliable source for a quality OpenOffice Writer Ebook Template. Even if it cost me something, I didn't care, I just knew I needed one to cut down on my workload. I mean, c'mon. It's tough enough coming up with new ebook ideas to write about, let alone compiling them too! Imagine how much easier it would be to simply open up a pre-formatted .ODT file inside OpenOffice Writer, replace some example text with your content, and hit the "Make PDF" button. Even just one Ooo Writer ebook template would be appreciated, wouldn't it? What if you could have 8? 8? Can that be true? You can hardly even find one decent ebook template for OpenOffice Writer, how can you give me 8 different templates to use??? I can. I have them. And now I'm letting you have them too. Right here. Right now. But first, let me give you a little example of what your ebooks could look like if you used just one of these stunning Ooo Writer templates for your next project. . . . And remember, you'll be receiving 9 ebook templates in all! What more could you want? Okay, okay. I'll throw in another "on the house" bonus for you. But only if you act now. . . . You will also receive Full Master Resale Rights to this entire collection You read the above correctly. I will throw in Full Master Resale Rights to the EZ Ebook Template Package 2, a copy of this very sales page, including all graphics, and a copy of the pre-designed 'thank you' page. This is a \$97 value all on its own without even including the product! To quickly recap, here's what you'll receive today when you decide to download your EZ Ebook Template Package 2. . . . 9 Pre-Formatted .ODT Ebook Templates For Use In OpenOffice Writer All Extra Graphics In Both .PSD and .JPG Format That Are

Used Inside The Ebook Template Designs Some Extra Background Design Elements To Use For Your Own Unique Ebooks Full Master Resale Rights To The Entire EZ Ebook Template Package 1 Sales Page, 1 Thank You Page, And All Necessary Graphics For Reselling An All New Handy, Easy To Follow PDF Manual Explaining How To Making Adjustments To The Ebook Templates And The Graphics, Step-By-Simple-Step Now, if you need some type of extra-super-hyped-up-exclusive 'bonus' collection of crappy products to justify your purchase today, forget it! This package is worth much more than the price I am offering it at. And just how much is it? Well, I'll tell you how much it isn't! It isn't \$97. It isn't \$67. It isn't \$47, although this would be a fair price. It isn't even a measly \$16.99. All you'll pay, and it's a one time only fee, is just \$16.99. That's right, for everything mentioned above, including Master Resale Rights, it will only cost you a one time \$16.99 And, since this is a digital product, you can download this collection, and all the sales materials, immediately after your payment is made through our secure server set up. ( It's through PayPal, so you know your personal information is safe 100. ) So, how much time do you want to save on your next ebook project? How much is offering a solution to hoards of people searching wildly for any OpenOffice Writer ebook templates? Let alone those of the high quality offered here? Time is ticking, don't waste any more time wondering if you should download this one-of-a-kind package. Go ahead and make the decision to work smarter, and stop working harder!
