A lot of people get tempted by good looking web templates. Web templates are designed by experts, using the latest designing software. They look stunning, compared to web pages developed by other means. While readymade templates offer several advantages, Advantages of using templates: 1. You know how your finished site looks. You can choose the template that appeals to you. You need not rely on a web developer to get a good looking website. 2. Faster turnaround. You need not spend a lot of time on getting the colors and layout right. You can go straight to changing text and proceed with programming. 3. Templates are much cheaper than hiring a web developer. 4. Templates look much better than sites developed in traditional HTML programming. Templates are designed by professionals that are creative and competent and experienced. 5. Templates can be customized by anyone with basic HTML knowledge. You can customize the template yourself using a text editor. This template allows you to: - Download a prebuilt site to your computer. - Make changes site-wide changes. - Customize page content. - Publish to your host with the click of a button.
