Below is just a small sampling of people (whom you likely know very well, at least by name), who have proven that the ideas and strategies I will show you today actually work magnificently, year in, and year out... People like... * Dan Kennedy, * Michael Kimble, * Yours truly, * Jonathan Mizel, * Ken McCarthy, * Wes Blaylock, And more like... * Scott Covert, * Corey Rudl, * Mike Enlow, * Mark Wittkowski, * Joe Vitale, * Terry Dean, Even more like... * Monique Harris, * Michael Campbell, * Jeff Paul, * Sam Robbins, * Collin Almeida, * Yanik Silver, Finally online presences like... * Clickbank.com, * Sendfree.com, * Hotmail.com, * Hitbox.com, * Adobe.com, and.. * Yahoo.com, All these people are among the insiders already using the same ideas in my confidential Proven Pricing Secrets report to make as little as \$5,000 to as much \$300,000 or more in remarkably short periods! Your pricing manual is a masterpiece! While reading it, I

rediscovered the secret formula I learned from the many high-priced seminars I attended. It shows the same formula my partner (Scott Covert of banneradmagic.com) and I once implemented to pull in a \$100,000 income! This is my master plan for internet success! -- Felix Ibay bizsuccesslinks.com One of the insiders above once confessed to me he'd earned over \$200,000 in one day! Yep. JUST LIKE THAT. A direct quote from him... I've personally earned \$229,958.32 in a single day using these very same strategies. The great news is... there's really nothing special about this guy, except that... He does know a lot of pricing secrets that YOU don't have any clue about! With those same techniques, he's been able to make double the income of what most people dream they want to be making per year... in ONE day! You've got to be thinking... Why the heck can THEY keep packing in so much in profits while I'm making little and next to nothing in sales? If you're really thinking that, then this letter is really good news for you... YOU can be using these no-brainers to greater profits too, you just have to discover WHAT they are, and how to start implementing them -- right away! At this point, you might be thinking... Most people would just keep these insider tactics to themselves, so exactly why are you revealing these secrets? Here are 6 reasons why... * I discovered a way to break out of the small income barrier. The answer was in having the perfect pricing system set up for my own products and services. I've looked around. With the exception of Dan Kennedy and maybe one or two other truly proven marketing master-minds, I'm the only one ready to reveal these proven pricing secrets, and especially in my usual SPECIAL style -- ALWAYS different from everyone else! * Much like yourself, I have been through the same painful times, hard struggles and zero and low income stages of this business. I have been blindly following about so many so-called gurus who are only mis-informed never-know-betters afraid not only of the success my special report can bring for you and them, but even of their own on-line shadows! I simply can not stand to see YOU continue to suffer the same fate as I have! * As corny as it sounds, I want to help YOU break out of the barriers of small-time income too. I am 100% convinced that if I can do it, YOU can be using the same pricing strategies to make double, triple, and even up to 100 times or more what you're making this very minute! * Most marketers who use these tactics will normally never tell you exactly WHAT is behind the kind of MASSIVE incomes they make in short periods. They simply won't admit to it and share that fact or secret with you. If nothing else, I am really angered by that kind of thing, and I really think getting rich by hiding the best tactics from people who trust you with their own future is really, really sad and unethical.. if nothing else! * But, there's something even more strange. There are already quite a good number of

people who would love nothing more than to use my *Proven Pricing Secrets* to successfully get rich ethically on-line. They already KNOW they would LOVE to use a technique like this. But they dont KNOW these exact pricing strategies ALREADY exist, and have existed for decades off-line and now, on-line. If they do know about it, they are never confident enough to take the step and use it. The reason?... * ...Many of the experts using the exact same pricing strategies in Proven Pricing Secrets classify them selfishly as experts only tactics. Let me tell it to you straight. Nothing could be farther from the truth than such a twisted, low-mindset and mis-informed judgment! By now, youre thinking...Ok, Im on the same wave-length as you. But exactly WHAT are the MASSIVE profit-generating techniques Ill discover in your report? Glad you asked...;-) Lets get right down to what youll discover! Inside Proven Pricing Secrets youll discover... * Why everything experts like Dan Kennedy, Jonathan Mizel, and my humble self, teach you about pricing is 100 accurate and super profitable! * How you can do what we do in our own businesses to earn \$100,000 or more yearly! * Why you simply must STOP listening to OPINIONS from never-know-betters, just get into the drivers seat and ACT on every single proven SUCCESS Secret inside this report... and beyond! * Why whatever you put into your own head is what will determine exactly how much money you make from this business! * How to tune into the HIGHEST frequencies for the HIGHEST profits from ANY business you own -- right away! * Why making money is really only a simple numbers game! This woman also works off-line. She's one of Dan's clients and when you see what she does to make that kind of money, you'll be SLAPPING yourself wondering where the heck you've been hiding your brain! * How one guy I met (on my recent 6-day trip out of town), is using this EXACT cashflow control technique off-line to generate over \$2.4M a year! And yes, I'll show you EXACTLY how he's doing this! Can you really do the same? If you want to, no one's stopping you! Listen. We decided to go one further than MANY other marketers (with similar rights) have ever gone. Like I said, we fully believed it would be quite lop-sided if we stopped at simply offering you the rights to sell the \$124.99 instant access (Option # 1 above) only. So in addition, we'll give you the full rights to sell full \$249.98 rights and keep the profits from those sales as well! Yes, don't blink. It's all for real. Why should I sell these rights? Very simple. Remember I already told you above. There are millions of people who would do almost anything to discover the secrets I share in my special report. The sad thing for me and them is, I can't reach them all on my own -- no matter how much I try. So, that becomes great news for YOU because now you can become a full-fledged ambassador of good will and great news from me, to these people. Besides that, you have the potential to earn a heck of a lot of money doing it. And YOU keep EVERY damn cent -- no profit-splitting or commission-sharing ever! Giving you the resale rights now, motivates YOU to act -- now! Instead of sharing measly \$20 - 60 commissions with you and recruiting a bunch of useless affiliates (99.99 of them will never promote the product anyway), I have decided to take on serious crusaders who know the value of such powerful information! I want to take on serious crusaders who will happily and quickly share these secrets with their own prospects and finally set them free from the bondage of small-time income! But that's not all, I want YOU to take on serious crusaders as well. The world is full of companies that can use this knowledge. And even you can't reach all of them yourself -- as I can't either, so what's the next logical move? Yes.. instead of hiring worthless time-wasting affiliate sellers, take on worthy serious crusaders who know value when they see it -- when you take them on, you keep 100 of the profits from every single \$249.98 sale too! To order now at \$249.98 -- click here & succeed! MEGA BONUS # 3: FREE Redristribution Rights To This Proven Sales Letter! Its a known FACT -- More than 80 of your prospects will react to something the exact same way as you would react to it as well. Why? Because if youre selling something you either know about, or simply something you love talking about, youll be selling it to people who would like to know more about the same thing and who of course love listening to and finding out about what youll be telling them! What that means is that you guys HAVE a lot more in common than you think. How else do you think you can write a sales letter, send it out to 1,000 people and pull in 250 sales or more in less than 24 hours? You can do that because if you know your business well, then youll know your prospects hot buttons. Youll know what they like, what they dont like, their passions and their fears - in many cases all those emotional traits are very similar if not identical to yours. Personally, I know my prospects pretty well because I love talking about the same things they like hearing about, and since I always react positively to a genuine offer that will increase my profits and thus my bottom line, Im sure my prospects will too, and that makes it easier to write to them while giving them what they want. Bottom Line: If you order option # 2 right now, I will also throw in the free rights to this very sales letter so that you can use it to make money from your own web site for as long as you want! The letter is yours to edit or use as it is, and you dont pay me a cent for that. And, if you like you can pass on the same letter to YOUR own prospects who buy from you -- its a no-brainer, and theyll love you for it. By the way, there are many people (I know hundreds) who cant write even one line of good sales copy, if that happens to be you OR your prospect, this bonus solves that problem -- for complete 100 hands-free profits! To order now at \$249.98 -- click here & succeed! EIGHT MORE killer reasons why you should get this package Now! And WHY this offer beats other copycat offers hands down! You will probably never find a better deal than this anywhere on the internet. Here are just six hot reasons WHY... 1. If you were to create all these products yourself, prepare to sit and toil for months and months creating hot products that sell from the FIRST day they hit the market or, you can be making instant money from this proven special report package -- 100 easier and you dont have to create a single thing. 2. This ENTIRE package (including the added exclusive bonus rights), allows you to make hundreds of dollars weekly in so many bonus ways and even from within some of the products - its a no-brainer. 3. You can make full profits from as little as \$17.98, \$37.97,

\$67.00, to as much as \$124.99, \$199.00 and \$249.98 incomes, and YOU actually KEEP your earnings - no strings attached. (Ever seen such a spread of quality products with attractive profit-producing prices ranging into the hundreds?..;-) 4. Many marketers out there either want to share out of your profits in one way or the other, or they wont even give you a chance to share those profits with them at all. THIS package is totally the opposite! 5. If they do offer you something similar to this, youd be struggling hard to make small profits of \$10 or \$15 per sale. One sale of the \$249.98 rights, and youll have made 14 - 17 times more than what you would make per sale selling measly \$14 or \$17 reprint rights to other products! Youll have to agree, this offer slams the others by more than just a far margin! 6. On the internet its easier to make REAL money selling a killer package like this costing \$124.99, \$199, or \$248.98 than it is fighting to make peanuts per sale from \$14 and \$17 packages. I should know, I enjoy MORE sales of almost anything I sell when I raise my prices! 7. If you were to pay me for exclusive ownership rights to this entire package, you know and I know it would not be less than \$3,000 out of your pocket. However, I want to make it affordable for any marketer who has no hot-selling product of their own to sell but a will and gut to make money from home -- if that sounds like YOU, this is the deal of a lifetime! 8. Lastly, not many people can offer you a legitimate hot package like this worth hundreds and hundreds of dollars, and one that virtually SELLS itself without any input on your part besides placing ads or offering access to your current prospects and customers! To order now at \$249.98 -- click here & succeed! Besides all this, you have NOTHING more to pay! With this offer, you get a ton of valuable resources you can use to attract info-hungry traffic, a source of gaining new subscribers, a source for selling advertising, and 100 resale and redistribution rights that serve as a nice profit-added income stream all thrown into one package!
