Captive Mate Blair Valentine Marcus is Omega, lowest in the wolf pack, who fought other males for the right to mate with Alyssa, the pack heiress. Alyssa craves Marcus' muscular body, his animal heat when he takes her. Though she burns for her mate and longs to lie beneath him, she will not surrender to being his. As the secret love child of a werewolf and a human artist, Alyssa knows if the pack discovers she's not purebred, they will destroy her. So when Marcus leaves the pack to fight vampires, she runs off to become a waitress in Santa Fe. Six years later, Marcus returns home to rule the pack and claim Alyssa once more. Alyssa aches for his sensual caresses but fights him even as he imprisons her in the sensual world of the werewolf. Marcus knows he must protect Alyssa from the pack discovering her secret. Only the legendary werewolf-bonding orgy, in which she'll show submission to ten of the strongest males, can protect her. In the end he will force Alyssa into acknowledging her passionate wild side and surrender to her sensual nature as his captive mate.
