How to Expand Your Business Growth by Outsourcing Your Tedious Tasks to Freelancers From Craigslist...Starting Today! This isnt just another video on theory, its taken from true results... FACT: Outsourcing and hiring people is a sign that your company is growing. BIG PROBLEM: The following are problems people face when outsourcing: Loss of Full Control - Yes, when you hire someone, they will do as you instruct; but they may not do it exactly as you do it. It will take some training, but in the end, if you stick with them, they will be loyal to you and grow your company. Threat to Security - When you hire someone, they may have access to your passwords and such, and that is one of the reasons why people dont hire ...but guess what? You are lying to yourself for not expanding your business. The biggest lie is; Outsourcing will solve ALL your problems Wrong! It will not solve all your problems, but it can solve a lot of them. But you have to know what you are doing. You cant jump in with two feet, without knowing anything, or else you lose money and lots of time. Thats where this video series comes in... Craigslist Outsourcing Secrets will show you how to outsource correctly, by hiring the right employees. There are tons of people you could hire, but to be truthful, a lot of them arent the ones you want to hire. In fact, a lot of them will just waste your time. Think about it, if you are running your whole business, it can only grow so much. By hiring or duplicating yourself, you can expand and grow your business. The positives are, you can focus on the core activities, such as running your business, and give the tedious tasks to your freelancers. If done correctly, you will have savings and reduce overheads. This step by step, 7 part video series, takes you by the hand and shows you how to correctly outsource your business tasks and hire the right employees, that will help grow your business.
