Have you been trying whatever one else is doing only to find its not working for you? Do you think there is a reason everyone else seems to be able to win the game of Internet Marketing but you? To answer your question. Yes, there is a reason youre not succeeding or not doing as well with Internet Marketing as you hoped or planned for. I got news for you. All the planning and the hoping in the world isnt going to make you rich. Playing by the rules and learning what the pros are doing months or years after they do it also isnt going to accomplish much of anything. This all comes down to one thing. Its not what you know. Its who you know. Youre In Luck Because... Ive been winning big time with Internet Marketing for the past few years and each year is better than the next. By better I of course mean a higher and higher income. A true friend and mentor of mine showed me the way and I feel its my duty as a responsible Internet Marketer to spread the word. Not only am I going to spill the beans I am going to guarantee youll succeed if you do exactly what I say in this playbook. There is no filler or fluff in this publication. Youll simply learn what you need to know and Ill let the gurus spoon feed someone else. Playing Dirty 101! Now of course nothing in here is illegal or unethical in any way. This is how its really done and Im not afraid to say it. I am always going to make money doing this and there is plenty of money out there on the Internet and Im going to show you:

But there are some psychological triggers you can pull to get the adrenaline flowing in your visitors turning them into customers. 2) The Fine Art of Persuasion Again, if youre thinking none of the traditional marketing tricks work online. Youre actually right. Partially. Put a little twist on an old trick and it becomes your best friend. Youll soon find out just how effective this one dirty little trick is! If they only knew how much value they werent getting for their dollar!
