

Express Talk Voip Softphone- Business Edition

[DOWNLOAD HERE](#)

Express Talk is software that works like a telephone to let you make calls from your PC. With Express Talk you can call anyone on the internet who has installed Express Talk (or any other SIP voip softphone). Calls are free. You can also call ordinary telephone numbers anywhere in the world if you sign up to a gateway service. It uses the SIP protocol and is compatible with most major VoIP SIP service providers. Express Talk VoIP Softphone- Business Edition specifications: Download Size: 490 KB Other System Requirements: sound card, microphone, internet connection Express Talk VoIP Softphone- Business Edition support Support email: supportnch@nchsoftware.com Phone: (303) 557-0211 Express Talk VoIP Softphone- Business Edition manufacturer NCH Software 6120 Greenwood Plaza Blvd Ste. 12080111 Greenwood Village nchsoftware.com Tags: internet phone, soft phone, sip software, softphone sip, softphone software, portable voip, internet phone calls, internet telephony, free softphone, free VoIP phone, free phone calls
