The automated CB Affiliate Reward system gives you the power to offer much more than just a share in the profits... you will now be able to set specific targets for your affiliates to achieve pre-determined levels of sales and when they reach those targets they will automatically be rewarded with a relevant bonus. You can reward your affiliates with special bonuses (What a great way of getting real value from those resale rights products you already own) and, as soon as they achieve the targets that you set, your affiliates get an immediate notification with a direct link to a download page. You can set targets at whatever level you like and you can set as many levels as you want to. Just imagine how hard your affiliates will work at promoting your products when they know that they can win prizes such as iPod's, Laptops, or anything else you want to offer. The Powerful Yet Simple To Use CB Affiliate Reward System... - Allows Affiliates To Easily Join Your Affiliate Reward Program - Provides Your Affiliates With An Up-To-Date Record Of Their Sales - Automatically Emails Affiliates When They Achieve A Sales Target - Has A User Friendly And Simple To Use Admin Control Panel - Is Fully Integrated With The Clickbank Hoplink System - Allows You As Merchant To Set Multiple Levels Of Sales Targets - Works With Cloaked Affiliate Links Nothing Else Can Compare With The CB Affiliate Reward System...
