Get Article Assistant Now Once You Download This Software You Can Create Ready-To-Publish Content On ANY Topic In Just A Few Minutes -- 2,483 Customers Paid \$297 To Get This. Now I Want To Give You A Copy...For Just \$20! ...And To Ensure You Get Even Better Results With The Software, I Am Including... My Rapid Writing mindmap -- shows you how to crank out good content in minutes 3 simple ways to tweak your content for MORE traffic and higher search engine rankings Need a freelance writer? Wait til you see this eye-opening video (Hint: Elance sucks!) I know youve heard it a dozen times before... content is king, content fuels the Internet, content + traffic = money... blah, blah, blah. The problem is... getting good content is either expensive or it takes a lot of time and effort. Well, not anymore. Once you download this software and training materials, youll see how fast and simple it is for you (or your team) to create no-cost content for all your blogs, websites, landing pages and web 2.0 pages. Over 2400 of my customers actually paid \$297 to get access to this same software. Im not exaggerating here ...youll see proof once you look inside page 1 of the Article Assistant software User Guide). Why am I giving you all this good stuff? Its simple... odds are you have yet to try one of my products. Id like the opportunity to prove to you how effective -- and profitable -- my software and ideas really are. Hopefully, you will be impressed and willing to take a look at my other products. More good stuff to come. Buy now for just \$20
