The Phoenix is a Strange Bird is a novel about two honest men caught in a war that has lost both glory and support, but nevertheless remains their mission. Advisors on a team providing assistance to a provincial government north of Saigon, the Colonel and the Captain face a weakened enemy that seldom shows its face, but manages to control the villages through terror at night. The two Americans devise a way to make pacification work. Success in a war that is winding-down has many enemies. Words: phoenix bird Author: Nee, Jr., Owen D.
