StarQuest - Bold Journey By Kate Douglas Book 5 of the StarQuest series Bolden, the mixed-species son of Jenna of Earth and Garan of Mirat, is the only survivor of a freak accident while on his long awaited StarQuest. Marooned on a primitive world for almost two years, he captures and then befriends CenÃfÂ©, a beautiful young woman who serves the goddess of her planet. Bold makes an amazing discovery-not only is CenÃfÂ©'s goddess very real to her, she is also the sentience of the planet, an entity who is able to take on human form by sharing CenÃfÂ©'s body. The goddess wants to experience passion, something Bolden promises her if she will help him return to Earth. Bold finds more than passion with the goddess/woman-he realizes he is also falling in love. But is it with the guileless young CenÃfÂ© or the immortal Lady who shares her body. And Evil stalks them. The makÃfÂ© were once ephemeral creatures of pleasure, created to give the goddess sexual gratification. Now they are taking on form and substance, as if another entity directs their actions. In a world far from home, decisions that will affect an entire planet rest in the hands of a young half-breed and the woman/goddess he loves.
