The SU Bribe Machine allows you to ethically "bribe" your site visitors to take an action that shares your website with others (viral marketing). These "bribes" can be in the form of free software, ebooks, reports, videos, membership access, discounts, or anything else you can think of. Your user get's this "bribe" after they vote for your site. In fact, you can see our own bribe at the bottom of this page. Note: The Bribe Machine is actually a suite of BRAND NEW, never before released tools that allow you to suck traffic from many top social networking sites. (Digg and YouTube Versions Coming!) The FIRST Bribe Machine title to be released is the one you see here today: "SU Bribe Machine" You get resale rights also don't pass this up.
