There are literally TONS of books out there telling you how to make money with AdSense! How many do you own? Have they helped you at all? Have you made a single cent more because of them? Actually, some of them are quite good, but there's an important piece that's missing from every one of them, an important piece that's preventing you from taking advantage of that VERY lucrative way to make unlimited amounts of money. In fact, AdSense is SUCH a lucrative source of income that there are many people who make an excellent living doing nothing but AdSense! What if..... ? I could offer you a solution that required absolutely NO technical knowledge, a plug and play way to start yourself on the road to AdSense bucks - would you be interested? What if this was so simple that you didn't have to know HTML, didn't have to read ANY books on AdSense if you didn't want to, in fact, all you had to do was make a simple change to insert YOUR AdSense account info on the ready-made pages and upload them into some directories that you set up, then run them in the search engines, blogs or any number of things that you can do to drive traffic to your web pages? Would you be interested? There IS an answer! The AdSense Business In-A-Box is a 4 volume collection of a whopping 155 AdSense ready web sites, almost 70megs zipped! It's complete with multiple articles for each web site, key words and each site is already optimized so that you can start making an AdSense income immediately! A completely Plug and Play Solution! AND they all come WITH Master Resell Rights! You can customize the pages, or not, add articles, subtract articles, add pages, add related products - or simply do nothing but upload them and run them in the search engines, blogs, in your sig file and any other place that you can think of listing them! This is the first of its kind, COMPLETE answer to getting started with AdSense that requires absolutely no knowledge, no training, has no learning curve, in fact, the ONLY things that you have to do is to use the simple 'replacer' tool to stick your AdSense link in each of the pages, upload your pages using FTP, and get them listed in the search engines! It couldn't be easier!
