"I Love Instant Cover Creator!" I gotta tell you...I love Instant Cover Creator! I was amazed at how easy you made the process of creating a cover with this product. Even someone who thinks they could never do it will be able to with ease using Instance Cover Creator. It really is instant. Great job! Best regards, Yvette Dubel enhancementconsulting.net From: Austin Dean Dear Product Owner, Finally you can fire your graphics designer and save yourself a truckload of money! As a digital product owner, it's very likely that you have spent money to have a graphics designer create a professional looking cover graphic for your product. If you have, then you know that most graphic designers charge from \$97 to over \$150 just to create ONE simple cover! It is a proven fact that professional graphics help to increase the conversion on your website. They increase the perceived value of your product and turn more of your website visitors into customers! With all of these benefits, you'd think that there would be a easier, and cheaper way to get the same results... Now there is an easier and more affordable way! It's a new software program called, "Instant Cover Creator" that will take all of the hassle of graphic design, and quickly create a cover for you! Creating Your New Cover Graphic Is As Easy As This: 1) Pick a template 2) Pick A Front Picture 3) Pick A Side Graphic Out Comes Your New Cover! With Instant Cover Creator - you can instantly make dozens of covers in a fraction of the time that it would take for you to send an email to your old graphics designer. By the designer that you hired ever received your email you could have created the perfect cover to help sell your next product. Instant Cover Creator Will Save You Tons of Time, Money and Effort! But don't take my word for it - look at what other satisfied users are already saying about Instant Cover Creator: A new e-book cover in less than a minute. Fantastic! This is not my only e-book cover software. But it is the quickest and simplest to use, and it gets great results. Just a few clicks and it's done! Click a template Pick a couple of graphics Add a headline and a sub head Click create Click 'n Save Job done! I challenge anyone to find a quicker or simpler way.
