Unlock Your Master Private Label Reprint And Duplication Rights To This One-Of-A-Kind, Unique, 135 Page Best-Seller Masterpiece... And Call It Your Very Own! From the Desk of : Randy Jones RE: Im giving you a Lifetime of Profits... Dear Customer, I want to reveal a small but important secret to you today. This one secret allowed me to quit my job - my boss was so surprised he even escorted me all the way down to the office building door. This one secret makes me more money every month than I used to make in 6 months in my last job (and I was a mid-level manager in a huge corporation). So listen carefully: The Real Secret to Online Riches is : You Must Have Your Own Product! Period. Surprised? I dont think so. Everybody is talking about creating your own products... But why dont you create one? I tell you why: - it takes a lot of time to write your own ebook: research, writing, editing - can take up to 6 months - if you outsource it, you can crank one ebook within a month or so, but you will pay up to \$500 for research and another \$1000 for writing and editing a simple 50 page ebook. - when you have a product, you STILL need to package it, write a converting sales letter, create graphics for it, create other sales materials - again time and money, time and money... And you are even NOT guaranteed your new ebook will sell... Are you saying Randy, that I cant have my own product and cant be profitable with it? Dont worry, the good thing is - You CAN! You see, Ive just created an incredibly rare opportunity for you to rake in never-ending streams of cash day in and out without work. And in case you didnt understand, let me make this crystal clear... Im Going To Give YOU Complete MASTER Rights To A Proven Bestseller Product That You Can Sell For 100 Profits Over And Over Again Just Like Your Own! This is truly the simplest way ever to print money on demand. And you can still brand yourself and build YOUR list automatically with this ready-made goldmine. In fact this is so easy that: * You DONT need to create or edit any product... * You DONT need to write any sales letter... * You DONT need to create/edit/recreate any website or graphics! Now before I reveal the this product to you, I guarantee it is: * A best seller with a proven track record * Extremely limited and exclusive to just my customer list and some selected subscribers (no JVs, affiliates, etc.) * Packed with superb high-quality information not found or revealed by other gurus * Comes together with targeted sales materials that you can use

immediately to drive targeted prospects to your new product And the best thing about it is... I already wrote a sales page myself for this. You see initially I was going to sell this product myself. But in my last customer poll, so many of you complained about not being able to have own product... So this idea came after I created everything needed to successfully launch a sales producing best-seller. So besides this being an excellent product, its also backed by an incredibly powerful sales letter with hidden controls that practically forces prospects to buy. You got at least 4 hidden hypnotizing tools in the sales letter . I wont reveal them all here, they are my copywriting secret weapons ;-)

But one of them is: - power unstoppable popup with a rush creating message. It appears only once per session, cannot be stopped by popup blockers, but can be closed by the visitor... In case you didnt know I charge \$1,500 for a 3-page sales letter. So if you want to hire me at this price, you can call me now... kidding ;-)
