

His Guide To Her Jewelry -how To Buy And Give Womens Jewelry

[DOWNLOAD HERE](#)

There are very few products online that teach guys how to buy and give women jewelry! Jewelry Giving Occasions We will discuss giving jewelry to the significant lady in your life first and then move on to the other people of the female persuasion that you know, love and must buy gifts for in later chapters. Lets begin at the beginning of the year and work our way through the calendar of gift giving occasions. There are only three occasions that jewelry is the best (maybe only) choice of a gift for your special lady. They are Valentines Day, Her Birthday, and Christmas. On other occasions, gifts other than jewelry are perfectly alright assuming, of course, that you really dont mind sleeping in the proverbial dog house. But, these three are the ones that matter and are the ones that you need some guidance for to make sure you buy the right thing, dont over spend or under spend on it, and dont send any wrong signals..it is ALWAYS about signals. Valentines Day: The stores are all packed wall to wall with stuff that has hearts on it big hearts, little hearts and hearts entwined with arrows sticking through them. All jewelry stores have many choices in many price ranges. The trick here is to choose a piece of jewelry with hearts on it and do it without sending you into bankruptcy. What you should buy and how much you should spend depends on what your relationship is with the lady in question, your financial situation, your age and your intentions.
