Included For A Limited Time! Date: Monday, January 25, 2010 From: Gary McCaffrey & James Russel Dear Friend, If you run any sort of content based website or blog, your about to discover how you can instantly start making more money with it, without advertising! Its already been proven that putting contextually relevant ads on your site can mean BIG bucks. And this fact has been made all the more obvious with the success of programs such as Google AdSense. But how many visitors does it usually take before your site makes even \$50 from Google ads? And how much do you think the advertiser makes off YOUR traffic? You can guarantee its a lot more than \$50! Stop Giving Your Traffic Away For Peanuts & Finally Start Getting The Commissions You Truly Deserve! This brand new, revolutionary program combines two of the most powerful income opportunities on the internet, pay-per-click advertising and affiliate programs. And creates a new hybrid breed of website monetization, that simply blows everything else out of the water. One of the best ways of making more money with AdSense is by making your ads blend in with the rest of your content. Simply put, by making your ads NOT look like ads. However, doing this is against Googles terms and might even get your account banned. Besides, they've made this practically impossible by placing the words Ads by Google on every one of their ad units. Now what if you had a way to automatically and seamlessly embed relevant affiliate links directly into your content, so they just look like regular links to other related articles on your website? Do you think they would receive more clicks? ... you bet they would!! Not only will these links get clicked more often, but every click can give you the opportunity to earn \$100s... per click! Compare that with the measly few cents you earn on your AdSense ads. Now I'm not saying you should abandon AdSense altogether, its a great way to earn a passive income online. But with this brand new software, your potential affiliate income will instantly shoot through the roof! Introducing The Revolutionary... ConTEXT Ad Generator 2.0

ConTEXT Ad Generator 2.0 turns your content into an instant profit magnet by dynamically transforming keywords on your site into affiliate links for literally any affiliate program you choose to promote. Here is how it works: Step One Insert the keywords you want transformed into ConTEXT Ad hyperlinks. Step Two Insert the affiliate URL you want those links to point to. Step Three Copy the provided JavaScript code into your webpage, then sit back, and let the code work its magic. It really could not be simpler. In three easy steps, any web page you want is instantly populated with these brand new, revolutionary, hybrid affiliate links. Are you starting to see the true power of ConTEXT Ad Generator? No longer will you have to make do with small affiliate checks. Now you can earn as high a commission as you want, while at the same time multiplying your click through rate, and your bank balance. Why ConTEXT Ad Generator Is The Best Way To Monetize Your Web Traffic! * The generated ads are not obvious or blatant and can command a much higher click thru rate than regular PPC (pay-per-click) ads. * Can be used with any form of content such as blogs, forums, article sites, public domain material or online books. * Does not require any special knowledge or skill and can be live on your website within minutes. * Links open up in a new browser window, keeping your visitors on your site so they get the chance to return, click more ads and earn you more revenue. * Can be combined with any other PPC advertising programs you use (The more income streams your sites have, the better) * The links will appear exactly like any other link on your website. If you use style sheets they will follow the same format set out inside it. * Covertly converts the keywords into links without actually modifying the pages source. The links are created on the fly the second a visitor lands on the page. * Protects your websites search engine position and link popularity by covertly disguising every link it creates. The search engines wont know your site has a bunch of affiliate links pointing out, so it will rank higher. * Tested to work in any browser, so you know everyone who visits your site is seeing and clicking on your new cash generating affiliate links. * Compatible with any web page regardless of the language its coded in. Works with html, php, asp and anything else. * No complicated modifications to your website required. Just insert one snippet of code and your done. * ... plus much much more!
