"The Lazy Marketer's Way to Getting Over 1,200 One-Way Backlinks... Using Just One Simple Method!" Here are 9 reasons why IDP will become your favorite marketing tool and why it is much better than all other competing products: With a constantly growing list of 1500 website directories, you'll easily increase your SE rankings within days! Automatically rotate multiple titles, descriptions and keywords to make sure your links seem natural and be able to rank for multiple keywords. Loads up to 10 browsers at the same time to speed up your submission process. (and saves you much valuable time!) Saves your previous work and records the sites that you have submitted to keep your work tidy for easy references. Sort list according to Pagerank, Alexa rankings, alphabetical order, etc., based on your own preferences and marketing strategies. Add, edit and delete anything in the directory list. (So you can put yourself in total control of which sites you want your link to appear in!) Unlimited user and site profiles. Why restrict the submission to only one of your site? Submit as many as you wish with no further cost - all FREE of charge! Easy & user friendly. Using IDP is quick and very easy. You'll have your sites submitted in no time with just a few clicks of the mouse! It's 2 times cheaper than any other competitors on the market. (so you can spend your hard-earned money on other necessities!) So, now that you know what Instant Directory Profits can do for you, you're probably most interested in wanting to know what it will cost you to own this awesome piece of software. Before we reveal the price, here are some facts you need to know: First up, understand that there are only a couple of other similar tools out on the market today and one of them sells for \$147! That may seem a tad overpriced but when you weigh it against the potential benefits, you'll realize it can help tremendously in your search engine rankings and increase the amount of your sales exponentially. Hence, it literally pays for itself... Possibly in just a few days time! Furthermore, 'Instant Directory Profits' was designed with the end user in mind... We've made it ultra simple for you and all you need to do is to follow some step-by-step instructions and you're able to start submitting your sites to over 1500 directories and gain a ton of quality backlinks in no time. Put it simply, this is a complete no-brainer! Here's the deal: Now we certainly do not intend to charge you \$147. Yes, the returns it can bring for you by using Instant Directory Profits could quite easily pay for your investment in just a few

days time. But we know for a fact that by charging such a steep price, it might effectively shut out many marketers who should be taking full advantage of such a fantastic tool but simply can't afford it at this point of time. You see, we've been well-known for over-delivering on the software we create and making it really affordable for the masses. Our past customers have all testified to that and we certainly want to keep it this way. So we have decided to make this technology easily accessible for just about any struggling marketer and set the price at just a low one time fee of... \$27
