Free Stuff: Big Profit is a 22 page step by step guide on how to make money daily by "selling free stuff for a profit", without even having to lay a hand on it! This method is aimed at those who are unsure on how to make money through Internet Marketing, but also has great tips for the more experienced marketers too. The steps are clear, and the eBook is very well written; Michael Brown's technique really does work. In this eBook Michael Brown will teach you- How & where he Finds Free products to market How he designs his pages or ads for the best performance Exactly how he researches his keywords to promote his products He'll show you real examples he uses to make hundreds in profit constantly Exact ways he uses to generate extra traffic to his free products Plus links to all the tools he uses to do this day after day! Actual real screen shots included for ease of use IN ADDITION to this eBook, you will receive a very handy program called Niche Word Finder Pro , which is worth \$19.97 alone! What this product will do for you- Find Exactly how many searches any keyword gets per day. Go beyond the free word tracker tool and find how much competition within the big 3 search engines. Weed out unwanted keywords with the click of a button. It's click of a button easy, you can just click a button and weed out or include all the keywords you'd like. Dig deeper into any keyword for perfect results. Just enter the base keyword, then you'll see the list of top 100 words related to your keyword or phrase. Works right on your computer desktop. Don't bother logging into a database online. This sits nicely on your desktop and launches with the click of a button. Find "low hanging fruit" For any niche For the highest profits. These low competition keywords still exist. Make finding them even easier with this awesome software. You'll never wonder how competitive a keyword is now. You'll be shown on screen the competition for each keyword and how many times per day it's getting searched. Save thousands of hours while this does the work for you. No more manual keyword research. It used to take hours, now it's easier than ever.
