Don't miss the chance to get your hands on this top-quality collection of Wordpress templates Wordpress is argueably the hottest niche website tool of the moment. Internet marketers and search engines alike love sites that are built on the platform. Whether you're looking to add you own web empire, build niche sites for clients, or even for flip them for quick cash, a great wordpress template will help you get the job done. All 10 templates are: Original, high quality designs Widget enabled Brand Spanking new

WARNING: Don't mistake our templates for the poor quality, run-of-the-mill templates you'll see elsewhere. These are top=quality wordpress templates designed to target HOT niche markets.

Wordpress' super SEO capabilities and its modular functionality make it the first-choice for niche marketers. A quality template will help you to capitalize on those features. Here's what you get in this collection...

1. XTP Audie Template Perfect for podcasting, tele or audio seminar information or any other audio-related blog. The fresh, glossy look of this template is really current and will not update quickly.
2. XTP Beach Template Top holiday destinations, best beaches or just a blog of your summer vacation - this beach template has many possible uses.
3. XTP-Bonsai Template Got green fingers? Bonsai growing is a popular, yet at times, difficult hobby. A great niche to move into with an information product or video series.
4. XTP Caution Template This Wordpress template carries a prominent warning in the corner that says "Use with Caution". It is ideal for giving the impression that your blog carries potent information that is simply too powerful to be used by just anyone!
5. XTP Chocolate Template Who doesn't like chocolate? Chocolate recipes, chocolate gifts, chocolate fountains - there innumerable chocolate sub-niches to target and there are tens of thousands of searches a month. Please note: your screen is not taste enabled - so don't lick it!
6. XTP Coin Collecting Template At the time of writing there are more than 30,000 auctions on Ebay... JUST FOR U.S. COINS! Even my local Ebay site(Ireland) has 6,465 coin auctions running at the moment. This is a niche FULL of buyers, swappers and traders. Get in on the action with this clean and business-like coin collecting template.
7. XTP *** Template There are a lot of people making small fortunes in this niche. Anyone who gambles wants to improve their odds and beat the casino, but they need the info to do it. You could use this template to set up a profitable membership site.
8. XTP Safari

Template Safaris are big business, not to mention expensive. If you are already operating as an affiliate in the travel sector, a Safari niche site could bring in some "wild" commissions. 9. Top Secret Template Everybody seems to be selling their "secrets" in an ebook these days. This template gives you a platform to do the same. It features imagery of a security briefcase full of Top Secret documents, marked "For your eyes only". 10. XTP Wedding Template There are so many sub-niches within the Weddings market that you'll never run out of ideas to word on. This mainly black & white template has a classy and contemporary feel. OK, I want them!...but how much are they? These templates normally sell for \$9 each and Don't come with resell rights. Miss your chance to get them now, and that's what they're likely to cost you.
