Hi, my name is Sean, you may know me as my pseudonym of Royalty. I would assume so if you've purchased this book from me. I've been doing Internet Marketing for quite a long time, since 1997 and things sure have changed a lot since then but there is one thing that hasn't. There are so many ways to earn money out there! In this book teach you a few steps that every marketer should know when they're trying to make money on these series of tubes. I assume that's what you are if you're reading this book. If that's not what you consider yourself then congratulations! I dub thee a Marketer. But what do marketers do? Well this is what I'm going to address in here today. I will be introducing you to one method of making money, but in the process I'll be teaching you a lot of other things to make you more successful in your future endeavors. In this book we'll be introducing you to three forms of marketing email, Pay-Per-Install and Cost-Per-Action marketing. I'm going to go slow and show you the basics for everything. This is so stupid simple anyone could do it, after reading this I invite you to show all your close friends and family how to do this so that you ALL can make money like Shoemoney.
