Unleash A Traffic Tsunami to Your Blogs - Blog Carnival Submitter Software! Secret Blog Carnival Submitter Allows You To... "Reel In Boatloads Of Hungry, Rabid Traffic To Your Blogs Without Advertising, Article Marketing, Or Other Useless SEO Tactics!" A Breakthrough Way Of Shepherding Tons Of Vistors To Your Blogs Is About To Be Unleashed! From: Timm Miller Dear Frustrated Blogger, It has often been said that blogs with good content rank high on the search engines, therefore pulling in tons of targeted, rabid buyers. And of course, many 'gurus' and experts encourage you to set up blogs, write truckloads of articles, post them on ezine or goarticles, and over time, your blogs get picked up and presto! You get your wonderful, desperate buyers. So you worked like a donkey, producing content for your blog, then writing separate articles for article submission. Maybe it was fun at first. But after a couple of months, your hands are shaking, your mind is a total blank and most likely, you're so sick and tired that you'll scream till the roof collapses when you see another article. You've probably toyed with the idea of other sources of advertising or traffic generation such as PPC ads, leveraging on social networking sites etc. But you realized that they would cost time and money, both of which you want to save, not spend. Hmmm. Should you sacrifice time with your family, maybe go to the bar less, to do more article marketing? After all you have to pay a price for success... Rubbish. There has always been a lesser known way that top bloggers get their traffic. Of course, not many people know because being selfish humans, would these elite blogging expert spill the beans? And that method is through special sites called Blog Carnivals. "Blog what? Are they some sort of mass blog site?" In the simplest, more basic form, yes. You see, Blog Carnivals are like a huge compilation of blog events, very much like a magazine, with a topic, editors, contributors, and most importantly of all, the readers. It is published probably on a weekly or monthly basis. Still confused? "Why do people create blog carnivals?" Good question. There are a couple of reasons: *To obtain quality and relevant content for free *Each post acts like a directory of information to build readership loyalty and trust *People may bookmark/digg the post , giving your blog tons of visitors if on the first page *Increased and boosted exposure for your online business! "Great! So are you going to teach me how to build a blog carnival?" Well, no actually. We have a much better blue

print in mind. You see, setting up a blog carnival is hard, hard work. And getting people to post on your site takes time as well. So our system, in a nutshell, is to leverage on the power of blog carnivals. Blog carnivals are a rich source of traffic. So what we did was to try and tap into a couple of traffic sources by submitting articles posted in our blogs to carnivals based on the same topic. 28 days later, we checked the results: 2,745 unique visitors in 28 days! Note, this was achieved using just ONE FREE & simple traffic technique which only took us less than ten minutes. Now most blog carnivals only allow you to make one single post at a time, but we made more than one posting at a time, resulting in the earth shattering stats you see above. Did you think we really took time to slowly submit our articles one by one? Once again...No. We used a specially designed software to create multiple posts at one go, saving us probably many hours and reaping a bountiful harvest of traffic! And we're about to let you have a peek at this powerful secret weapon of ours. Introducing: Blog Carnival Submitter "Channel Streams of Massive, Target Traffic Through Blog Carnivals Into Your Blogs!" Submit loads of articles for tons of traffic and backlinks using these 3 easy steps! Step #1. Indicate the blog carnivals you want to post to Step #2. Select the articles/blog posts that you wish to submit Step #3. Press the "Submit Articles" button and voila! Your blog posts will be submitted to hundreds of blog carnivals with just a push of the mouse! Blog Carnival Submitter is designed so simple that even the most new of newbies will be able to submit MULTIPLE posts to MULTIPLE blog carnivals at one go without breaking a sweat! Here are 7 Reasons Why You Should Invest In A Copy of BCS NOW: *Save a ton of time and money otherwise spent on article marketing *Jump start ALL of your blog's traffic within just a few days of using BCS! *Get one-way back links from huge authority sites (and boost your search engine rankings!) *Post your articles many times to different blogs without having to type them out! *Experience the joy of your traffic stats going up and up instantly! *Use the embedded browser function to multi-task and do research at the same time! *Submit hundreds of articles to multiple blog carnivals in a couple of minutes with just a few clicks of the mouse! And much much more... Now software like this doesn't come cheap, in fact the amount of effort, research, trial and error invested in it makes it worth at least \$497 alone. Not only that, the amount of targeted, hungry traffic that floods your site will bring long term profits that could more than cover the amount spent on Blog Carnival Submitter alone! What's more, you'll get a powerful tool with such easy to operate functions that you'll suddenly find yourself with more time to focus on things that really matter! "So what is the price then?" Now, we're definitely not going to charge you anything above \$97. Ever since

the global economic crisis hit, many people have been desperately trying to make a living, and many new marketers and bloggers who just got fired may not have that kind of money to afford this powerful tool. To be honest, we also crave a good reputation. We want to be known as marketers who over-deliver and under charge for our software. In fact ask any of our past and present customers to attest to that. With these factors in mind, the price for this breakthrough software will be set at: \$17 "What the...? A powerful, user friendly software that directs loads of traffic to your blog fast is only worth less than the price of a dinner for two?" \$17 is a reasonable price that puts this software into the hands of most struggling marketers and we believe its a fair price for our efforts as well. In fact, people who are skeptical about the price usually don't buy anything above \$7, or even bother to invest in their future at all. In the near future though, we will increase the price once a sizable number of people have signed up, so don't say we didn't warn you. So now the only other question is "What are you waiting for?" Let's face it... Blog Carnivals are already a vast Oyster farm, full of fresh, meaty content that thousands upon thousands of people who hungrily seek information flock to. And if you could just reach out and harvest a portion of that massive traffic, imagine the recurring, long term profits you would reap over time. It would be calculated in the thousands as well, wouldn't it? You only need a low one time investment for that to happen. So we urge you to take action at this very moment.
