

Writing And Empire In Tacitus - Dylan Sailor

[DOWNLOAD HERE](#)

Writing and Empire in Tacitus examines how Tacitus' historiographical career serves as an argument about his personal autonomy and social value under the peculiar political conditions of the early Roman Empire. Following the arc of his career from Agricola through Histories to Annals, this book focuses on ways in which Tacitus' writing makes implicit claims about his relationship to Roman society and about the political consequentiality of historical writing. In a sense, this book suggests, his literary career and the sense of alienation his works project form the ideal complement to his very successful political career, which, while desirable, might nonetheless give the impression of degrading submission to emperors. The discussion combines careful attention to the historian's explicit programmatic discussion of his work with larger-scale analysis of stretches of narrative that have unspoken but significant implications for how we view the function and importance of Tacitus' work. Author: Sailor, Dylan Publisher: Cambridge University Press Illustration: N Language: ENG Title: Writing and Empire in Tacitus Pages: 00000 (Encrypted PDF) On Sale: 2008-10-02 SKU-13/ISBN: 9780521897471 Category: Literary Collections : Ancient, Classical & Medieval Category: History : Ancient - Rome
